## Projects

<https://github.com/ethanboone/checkpoint4>

- Interactive home page that has a clock, to do list, weather, and a quote all being displayed at the same time.
- Built using the MVCS design pattern with vanilla Javascript with Bootstrap and flexbox for styling.
- Independent Project.

<https://github.com/davidparker83686/kanban>

- Advanced task organizer with multiple lists and tasks. Comments can be added to the task and the tasks can be moved between lists.
- Used MVCS design pattern with Vue.js, Bootstrap, Node.js with Mongoose/MongoDb back end, and Auth0 user authentication.
- Group Project with a classmate.

## Skills

- HTML/CSS/Javascript
- vue
- Node.js
- C#/.NET
- Mongoose/MongoDb
- SQL/MySQL
- SCRUM/AGILE
- Exceptional analytical and problem solving skills
- Remarkable ability to retain new information
- Proficient at implementing recently learned technology or methodologies
- Very skilled at collaboration, working dynamically amongst peers or colleagues is now almost effortless

## Experience

- Software Development Student at Boise Codeworks March 2021-June 2021
  - Nearly every week learned a new technology or language
  - Every weekend new projects were assigned to be completed by the following Monday, with the exception of only a few weekends throughout the entirety of the course
  - Went into Codework's course with little knowledge of HTML/CSS/Vanilla JS and acquired the knowledge and skills to build full stack web applications
  - Learned how to collaborate in a development environment as well as implement SCRUM and AGILE methodologies
- Automotive Technician at Fast Eddy's September 2020-January 2021  
Meridian, Idaho 83646
  - Responsible for ensuring customer's vehicles were thoroughly vacuumed, washed, and dried
  - Checked tire pressure and executed routine maintenance such as tire rotation, changing of air filters, and tire/wheel replacements
  - Worked in a fast paced setting that demanded unrelenting focus and attention to detail
  - Learned how crucial working efficiently as part of a team is, communicating well with coworkers and superiors is imperative for an efficient work environment
